TO USE TO GRADE YOUR
SS SPIRAL

Be sure that the following is checked before your turn in your SS Spiral Notebook:

- there is a sticker on the upper right hand corner with LAST NAME, FIRST NAME, "SS Spiral" and Per. ____
- you used a ruler to make lines for the columns in your TofC & for the 3 boxes about the grades at the bottom
- every assignment has a TITLE & NUMBER in the **upper right hand corner!**
- your TofC is in the first few pages of your spiral.
- you graded every assignment in your SS Spiral, including "Neatness & Organization" & "Grand Total"

52	11	C6L3 Cornell Notes	12/13	10	
53	10	C6L3 Vocabulary	12/13	10	
		<i>Neatness & Organization</i>		30	
		GRAND TOTAL		200	

- you added up all of your scores to give a "Total Score" for your grade.
- ✦ For a higher grade for geography, you should use COLOR for your maps and vocabulary pictures.
- ✦ For a higher grade with Cornell Notes, be sure you use a ruler and have appropriate labels in red.
- ✦ Remember, assignments that are not stamped were not completed on time and hence deserve an "F". The "F" is a "0" if not done at all or a "5" if fully completed, but late.
- ✦ **YOU MUST TURN THIS IN WITH YOUR SS SPIRAL with student signature and parent signature on WED./THURS. (Oct. 11-12) after we finish the unit test. Spirals that are late are one grade lower for each day late.**
