for
Chapters 3-4:
ISLAM

TO USE TO GRADE YOUR
SS SPIRAL

Be sure that the following is checked before your turn in your SS Spiral Notebook:

- there is a sticker on the upper right hand corner with LAST NAME, FIRST NAME, "SS Spiral" and Per. ____
- you used a ruler to make lines for the columns in your TofC & for the 3 boxes about the grades at the bottom
- every assignment has a TITLE & NUMBER in the upper right hand corner!
- your TofC is in the first few pages of your spiral.
- you graded every assignment in your SS Spiral, including "Neatness & Organization" & "Grand Total"

52	11	CoL3 Cornell Notes	12/13	10	
53	10	C6L3 Vocabulary	12/13	10	
		Neatness & Organization		30	
		GRAND TOTAL		200	

- you added up all of your scores to give a "Total Score" for your grade.
- ✦ For a higher grade for geography, you should use COLOR for your maps.
- ✦ For a higher grade with Cornell Notes, be sure you use a ruler and have appropriate labels in red.
- ✦ Remember, assignments that are not stamped were not completed on time and hence deserve an "F". The "F" is a "0" if not done at all or a "5" if fully completed, but late.
- ✦ **YOU MUST TURN THIS IN WITH YOUR SS SPIRAL with student signature and parent signature on Tuesday, Nov. 19. Spirals that are late are one grade lower for each day late.**
